A Message from the President

GENERAL MEETINGS

At our October General Meeting, the very interesting speaker from **AdventHealth**, Judy Clark, LCSW, shared tips for aging well and the differences between Alzheimer's and Dementia. She had many slides to her presentation, and some of them had many details. Judy gave me permission to post her presentation on the HWC website under the Luncheon Meeting section.

This month we are looking forward to an entertaining presentation from Mary Flynn, "**Confessions of a Hallmark Greeting Card Writer.**" She is also an award-winning poet and author of business books, novels, and children's books. Our business meeting will include the usual updates. The Charitable Endeavors Co-Chairs will review the process we use to **select our charities** for the following year, Somebody's Hungry will continue, and we will hold the ever-popular donated raffle basket drawing.

Our **Secret Santa** program will continue in November. Children at three of our four charities will receive your gifts this year. (Note that the Boys & Girls Club, W. Sanford Branch has other benefactors for holiday gifts.) If you have already chosen ornaments from the tree, please remember to bring your gift(s) to our December luncheon in the white bag you were given. If you haven't yet selected a name, you will have the opportunity to do so at the November luncheon. Please see the write-up later in The Newz.

OTHER HAPPENINGS

On October 4, at the Boys and Girls Club **Faces of the Future breakfast**, HWCC was recognized as a Legacy Partner. The following is a portion of the tribute that was given to us: "For over a decade, they have worked really hard with their social fundraising events that benefit not only us but other organizations that center around families and kids like us. In addition to individual giving and multiple members who have joined our Giving Society - To date, the Heathrow Women's Club has donated well over \$200,000 to benefit and support our programs at the West Sanford Club. On behalf of myself and all my fellow Club members at my Boys & Girls Club - Thank you for investing your time, treasure and talents to benefit the youth of Seminole County and thank you for supporting and believing in us."

Our **4th Annual Golf Tournament** is fast approaching, and we are so excited about it. So many members are working very hard to assure it's a great success. If you are a golfer, I hope you have signed up to play. If you aren't a golfer, there are still opportunities for you to be involved. There is the "hole of fame" donation, where members can show their support of our charitable endeavors by purchasing a hole on #18. You can purchase a hole of fame sponsorship in your name, in memory of someone, or in celebration of an individual or event. There are also hole sponsorships for businesses and various other ways to contribute. If you would like to attend the dinner and/or volunteer to help, please contact Nancy Jones or Carolyn Boland and see more information on the Ways & Means page in this newsletter and on our website. I'm looking forward to seeing you at the tournament!

WHY IS IT THAT WE...

This month, I'm addressing a few questions that I have been asked or thought you might find interesting. Please continue to send me your questions (mundane, significant, humorous, inspirational). Eventually, I plan to address them all!

- Are not having the Bake Sale at our December General Meeting this year?

HWCC holds a number of fundraisers throughout our year—some major that raise a lot of money for our charities and some not so major. It is impossible for us to organize and support every activity every year. So, we're skipping a year on the Bake Sale, just as we have periodically skipped the Yard Sale and the Purse Auction. Interest and participation in the Bake Sale have waned in the last couple of years, so it makes sense to skip a year and see if interest improves. If you want it back next year, make sure to indicate your preference in the Spring Member Survey.

- Require members to communicate any dietary needs/special request in the online registration?

We notify Heathrow Country Club of the headcount, menu selections, and dietary needs the weekend before our Tuesday luncheon. That way they have time to prepare and serve any special requests/needs. We need to do this in advance, because it is very difficult to make a change during the luncheon, as it slows down the plating and serving process and thus our meeting. For instance, if you send a chicken breast back to the kitchen because you cannot have or do not want the sauce, they have to throw it away and start cooking and plating a new serving of all elements for you. A little planning when registering will really help things go more smoothly for you and everyone else.

I look forward to hearing your questions and comments that will help us in our continuous efforts to improve the HWC experience for everyone!

Regards,

Lee Granger, President, Heathrow Women's Club/Heathrow Women's Club Charities, Inc.

COLLECT FOR CLUB MEMBERS

"Keep us, oh God, from pettiness; let us be large in thought, in word, in deed.
Let us be done with fault-finding and leave off self-seeking.
May we put away all pretense and meet each other face to face,

May we never be hasty in judgement and always generous.
Let us take time for all things; and to grow calm, serene, gentle.
Teach us to put into action our better impulses, straightforward and unafraid.
Grant that we may realize it is the little things that create differences,
that in the big things of life we are at one.
And may we strive to touch and to know the great, common human heart of us all.
And, oh Lord God, **let us not forget to be kind!**"

SECRET SANTA AND HIS ELVES 🧑🏻

Santa's elves were out in force at the October lunch. Thanks to all of our members who selected a child's ornament or several ornaments off the holiday tree for the Secret Santa gift-giving program.

You will once again have an opportunity at the November luncheon to select tree ornaments for deserving children in Seminole County. The tree's paper ornaments - and you can take more than one - have a guideline starting dollar value of \$25.

The ornaments give the child's gender, age, type of gift(s) wanted OR merchant gift cards supporting the children of the following charities:

- Friends of Abused Children
- SafeHouse of Seminole County
- The Foundation for Seminole County Public Schools

If you weren't able to select an ornament, you can still participate in Secret Santa by donating a gift card(s) which can be brought to the December luncheon. We would suggest either Target or Walmart as the gift card merchant.

Please bring your **UNWRAPPED** gifts to the December 10th luncheon in the white bag provided (even if it is a gift card) so that easy identification is made. If you cannot be at the luncheon, send it in with a friend or telephone Pat Darrah (407-833-0498) or Connie McDonald (407-256-2899) for assistance.

The giving generosity of our members means so much to these three charities and the children in need of special holiday memories.

Happy Birthday to All the Kids at Boys and Girls Club who celebrated their birthdays in September.

Thank you to Heathrow Womens' Club Belinda Visnich and Lynn Edwards for hosting their special birthday party. What a fun event!

Our October Birthday Party will be hosted by Adrienne DiRienzo and Lisa Batcho on October 23rd.

If you are interested in co-hosting this event, or would like more information, please visit the Charitable Endeavors Table at one of our Luncheon Meetings.

AdventHealth talks about Surprising Symptoms of Lung Cancer

Swollen-Looking Fingertips

Some lung cancer tumors create chemicals that affect different areas of your body, right down to your fingertips. One effect called “clubbing” causes fluid to gather at the tips of your fingers, making the area above the top knuckle look swollen.

Muscle Weakness

In some types of small cell lung cancer, the body’s immune system tries to fight the cancer. Unfortunately, immune cells can end up destroying nerve endings instead.

The nerve endings that are attacked are responsible for muscle contractions.

Back or Shoulder Pain

Some types of lung cancer tumors stay high in the lungs and can spread to the ribs and spine, causing pain in your upper back and shoulders. However, back pain alone is not a strong sign of cancer.

Weight Gain or Loss

It’s confusing, but cancer can make you gain or lose weight. Sometimes chemicals from tumors can cause your body to retain

fluids. This can make your weight increase, sometimes rapidly, due to extra water.

In other types of cancer, chemicals can cause you to lose your appetite.

Fatigue

Like many cancers, lung cancer can lower your red blood cell count, causing anemia. Red blood cells carry oxygen throughout your body. Without oxygen, your body can feel weak and tired.

Racing Heart

Cancer-related anemia can also cause your heart to beat differently. You may have a very fast or irregular heartbeat.

People with cancer may also develop high levels of calcium in their body, called hypercalcemia.

Screenings to Support Your Peace of Mind

At AdventHealth, we offer lung cancer screenings for people who are at higher risk of lung cancer, like smokers. [Learn if a lung cancer screening may be right for you.](#)

SOCIAL

The Social Committee decides what activities are appropriate for HWC and then plans and executes them.

Our Social committee met on October 22nd to discuss adding a few new social activities for the 2019-20 season in addition to our current activities. More information will follow in the upcoming months.

In October movie goer members enjoyed meeting at AMSTAR Cinema to watch "Judy" followed by a lively dinner discussion.

Ladies Night out was held at Bahama Breeze last month. Ladies Night Out will not be held in the months of November and December due to the Thanksgiving and Christmas holidays but will resume again in January.

Happy Hour Social- Unfortunately we had to cancel this event in October. We will reschedule this later in the year.

Group Activities

Movie & Dinner will be held on Tuesday, November 19th. The selected movie and a description will be available at the November meeting with sign-up sheets.

Wine Tasting- On November 21st from 5:00pm-7:00pm at Tim's Wine Market, 5040 West SR 46, Sanford (next to Ace Hardware). Join friends in the HWC as we sample some Cru Beaujolais. For those of you how don't know, Beaujolais Nouveau is the first release after harvest in September/October is made from the Gamay grape found in Southern Burgundy. Beaujolais would pair beautifully with your Thanksgiving meal. Information will be made available at the November luncheon.

Lunch Bunch- Debbie Loperfito and Lynn Beckman volunteered to lead Lunch Bunch. Due to the delay in finding volunteers to organize this activity Lunch Bunch did not meet in the month of October but will resume meeting in December. Lunch Bunch meets at a different restaurant every month for lunch.

Holiday Tea- The social committee is working on selecting a venue for a holiday tea in December. More information will be available at the November member luncheon.

Sign-up sheets for new social groups will be available at the November luncheon meeting.

Please contact Mary Beth Ketelhut if you have any new ideas for a social activity.

Christine's Safe Pet Fund

Christine's Safe Pet Fund is an **ongoing** fund that has been established in memory of our Past President, and friend, Christine Gillen.

Christine's Safe Pet Fund will enable more domestic violence victims to leave abusive households without leaving their pets behind and at risk. Christine's Fund will celebrate the human animal bond and how family pets can provide comfort, reassurance, and healing to Seminole County women and children survivors.

Did you know that 65% of domestic violence victims will delay or refuse to leave an abusive home out of fear of leaving their pets behind?

Did you know that up to 85% of women entering domestic violence shelters reported that their partner had threatened, injured, or killed their pet?

100% of the monies raised will be used for vaccinations, shots, medications, food, and pet housing deposits. Christine's Safe Pet Fund will help to remove barriers to safety and allow survivors with pets to seek safety together thus saving more lives!

For more information, or how to make a donation to this ongoing fund, please contact me at Pattinev@hotmail.com.

Thanking you in advance for your generosity,
